SO HIGH

By ASH FOXX

Babe I don't know what to do,
can't seem to take my mind off of you,
don't really want to let you slip away.

I love the way you make me feel,
keep keepin' the feelin oh so real,
I really want to let you take me away....

CHORUS

I get so high, put your wings around me baby,
don't you let me fall down from the sky.

I love the way you look at me,
it ain't so hard for me to really see
that you really want to take me away.

Babe I've got to let you know,
you see, I'm never ever gonna let you go,
don't really want to let you slip away.

Chorus

It feels so good I just can't slow down.
Hold on like you should,
baby, don't let go now...
Hide and watch me fly.
