# UNSTOPPABLE!!!

By ASH FOXX

I woke up this mornin', put my jersey on,  
said "I'm gonna leave my worries behind."  
Ready as can be now,  
Headed down to T-town,  
Bound to have a damn good time.

Game day fever,  
burning deep inside  
I think it's time to add some fuel to the flames.  
I need a shot of football  
running through my veins.

#### CHORUS -

I get so excited  
There ain't no need to hide it.  
Can't deny it's undeniable.  
Raisin' hell tonight  
Rollin' with the Tide,  
on top and unstoppable.

The stands are jammed with fans gettin' down in Alabam,  
It's guaranteed to be one hell of a show.  
Adrenaline is pumpin, energy is thumpin;  
from the kick-off 'til the final whistle blows.

The Tide keeps rollin' on. (Repeat)
