DOWN IN TEXAS

By ASH FOXX

Lord have mercy, she was lookin'; so fine,
when she said "let's get together baby, your place or mine."
On a scale of one to ten, she was closer to a nine.
I couldn't help but to give in, that's when she nearly blew my mind...

Bridge

She said, "saddle up cowboy, welcome to the show...
the rodeo has started darlin', ready... set... go..."

Chorus

It was the first time I ever rode a cowgirl somewhere down in Texas.
(Repeat)

Lord have mercy, didn't know what to say,
Just when I thought the work was over,
she still wanted to play.
Finer than the finest from the "U-S of A,"
I almost didn't make it, but I did anyway... (Bridge – Chorus)
