THINK ABOUT IT

By ASH FOXX

I won't think it's too early
if you don't think it's too soon.
I've been known to rush into things,
but this time I think it's true.

I've been thinkin lately that I sure think a lot about you, ooh..
Baby, you might think I'm crazy, but I think I love you.
I think I love you.

I hope you're thinkin' of me
the way that I think of you.
Do you think I just think too much?
Well I think so too.
It seems so real, I must be dreaming,
oh what can I do? Ooh...

Baby, you might think I'm crazy, but I think I love you.
I think I love you.

There's only one thing that stands in our way...
It's just that I'm here and you're so far, your oh so far away.
